

Disposable Needle Guides

Why our Needle guides?

- Competitive pricing
- Precision design
- High quality finish
- Disposable
- 5 year shelf life

BIRR offers a wide range of disposable needle guides for transvaginal, rectal biopsies and oocyte retrieval. The disposable designs reduce the risk of cross contamination and infection.

- Compatible with most endocavity ultrasound probes in the market
- All BIRR needle guides will accept 16G-18G size devices
